evelyn underhill's *The Mystic Way* is a profound psychological and theological study of christian mysticism and its transformative stages drawing from mystics such as St John of the Cross and Meister Eckhart. Underhill traces the path of spiritual awakening through illumination, purification, dark night, and union with the divine. She presents mysticism not as escapism but as a deeply engaged and disciplined inner journey that leads to greater moral awareness and active love. Written with poetic elegance and intellectual rigor, *The Mystic Way* bridges scholarly insight with spiritual depth. It remains a landmark text for students of mysticism, religious experience, and christian spirituality.

There are certain books of the Bible that just seem to stand out, and the Gospel of John is surely one such book. It is frequently the first book of the Bible we encourage non-Christians to read in the hope that its message will lead them to faith in Christ. After all, that is the purpose of the book. See John 20:31 for Christians, the Gospel of John is a source of much truth about our Lord and the Gospel, but it is much more than that. It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand. It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word. If men of old found their hearts set on fire as they listened to Him teach in person (Luke 24:32), so we will find our hearts warmed as we seek to listen to Him through this Gospel. I challenge you to join me in making the Gospel of John the subject of your study. May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world (John 1:29).
