winner of the john carroll award and the g joseph sills jr book award a deeply researched work on the infamous 1876 battle filled with new discoveries this remarkable book synthesizes a lifetime of in depth research into one of america s most storied disasters the defeat of custer s 7th cavalry at the hands of the sioux and cheyenne as well as the complete annihilation of that part of the cavalry led by custer himself the author gordon harper spent countless hours on the battlefield itself as well as researching every iota of evidence of the fight from both sides white and indian he was thus able to recreate every step of the battle as authoritatively as anyone could dispelling myths and falsehoods along the way when he passed away in 2009 he left nearly two million words of original research and writing and in this book his work has been condensed for the general public to observe his key findings and the crux of his narrative on the exact course of the battle one of his first observations is that the fight took place along the little horn river its junction with the big horn was several miles away so the term for the battle little big horn has always been a misnomer he precisely traces the mysterious activities of benten s battalion on that fateful day and why it couldn t come to custer s reinforcement he describes reno s desperate fight in unprecedented depth as well as how that unnerved officer benefited from the unexpected heroism of many of his men indian accounts ever present throughout this book come to the fore especially during custer s part of the fight because no white soldier survived it however analysis of the forensic evidence like tracking cartridges and bullets discovered on the battlefield plus the locations of bodies assist in drawing an accurate scenario of how the final scene unfolded it may indeed be clearer now than it was to the doomed 7th cavalymen at the time who through the dust and smoke and indians seeming to rise by hundreds from the ground only gradually realized the extent of the disaster of additional interest is the narrative of the battlefield after the fight when successive burial teams had to be dispatched for the gruesome task because prior ones invariably did a poor job though the author is no longer with us his daughter tori harper along with historians gordon richard and monte akers have done yeoman s work in preserving his valuable research for the public having read and studied several previous books on the custer battle i was hoping that something new would emerge and i was not disappointed certainly a book that one cannot put down norman franks author of ton up lances and under

the guns of the red baron
